OFFICE NOTE.

SUBJECT:— In re purchase of certain lands for the Basti temple at Mysore.

LAST REFERENCE.

Letter No. 53 dated 7th Sept. 1903 from the Dy Commissioner Mysore District.

B

Formerly, there was a Basti temple to the west of the Kari Kal Motti in the Mysore Fort. This was demolished and re-constructed near the Sayaji Rao Road in the City. A compensation ~~A contribution~~ of Rs 1000 was given by the Palace for the benefit of the institution & the same now stands invested in the Govt. Savings Bank.

Brahma Swiah, Archak of the temple petitioned this Office & also submitted a Memorial to His Highness the Maharaja

(2)

(05)

that the amount of contribution was intended for purchasing some lands for the benefit of the temple, that the district & Taluk authorities had put off the purchase & that in consequence the services in the temple had been stopped & praying that orders might be issued for the purchase of lands

The petn addressed to His Highness was transferred to the Secretary to Govt in the Rev. deptt for report with the Private Secy's no 1351 dy 21st Feb: 1903. The same having been transferred to this department, a report was called for from the Dy Comm! of Mysore. From the records received with the letter cited above it is observed that certain lands were first selected under the Rampur Nala the Nanjangud Taluk and that

as the cost of making the lands fit for wet cultivation would be great, the Amildar (Archak) was told by the Deputy Commr. that if he found out some suitable land & gave information, it would be considered. The Archak proposed the purchase of 4 acres 16 Guntas of wet lands belonging to one Venkatambi Subbamma in Yechakahalli, Nanjangud Taluk, as the same was for sale. The Dharmadarsis of the temple have also stated that the lands which are assessed at Rs 25, & yielding 30 Pallas may be purchased for the temple & that the holders of the adjoining lands have offered Rs 365 per acre. The Amildar reports that the lands in question are worth Rs 300 per acre and a Mahazar has been obtained from the Villagers in which they state that

very good (93)
are ~~best~~ and they estimate the
value at Rs 300 per acre. The
owner of the land (Subbanna)
states that he is not willing
to sell the lands at Rs 300 per acre
but that he will do so if Rs 360
per acre is given to him. The Dy
Comm.r reports that the value of
the lands adjacent to those proposed
to be purchased does not exceed Rs 300
per acre & that the Munsiff & Sett Comm.r who
personally inspected the land is of
opinion that they are not worth
more than Rs 325 per acre —

The Dy Commissioner having then thereupon requested to send the Savings Bank Pass Books as well as the old papers relating to the removal of the Basti, he has submitted them with his letter no 168 dated 12th January 1904 - Q

Two Savings Bank Pass Books have been received, one of the Nagpore Taluk and the other of the Nagpore District, which show that Rs 529-13-1 and Rs 1130-8-2 have stood respectively in the name of the Assistant of the Nagpore Taluk & the

the Amrgrai Officer, Mysore District, respectively.

From the old records it is observed that the Basti was reconstructed at the cost of the Palace and a sum of Rs 1704-2-7 was paid for the Samprokshana ceremonies and that as some additional works such as Kitchen etc have required to be done by after the consecration took place the Palace, they paid Rs (1000) to the temple, in full satisfaction of all other dues. It is also observed that this amount was accepted by the leading devotees who expressed their desire in writing that some wet lands might be purchased for the temple of the Basti - There are no ex...

Subject to the decision
The extent of the land is 4 acres
& 16 Cents as the price demanded
by the owner Subbamma, it will cost
Rs 1584. The income is stated to be
30 pallas, which may be calculated
to fetch about Rs 80 or Rs 90
Even taking it at Rs 90, there will
only be left about Rs 65 after paying
the assessment of Rs 25 The
Savings Bank deposit of Rs 1659/8000
~~repay~~ now fetches about Rs 54
as interest, which is certain.
It does not therefore appear
to be a desirable bargain to
exchange a certain income
for an uncertain one which
does not exceed the other
by any appreciable amount
The vendor may therefore be
asked to be on the lookout for
a better investment.

In this case, the Tahsildar may be
asked for a report Jes

This is a matter of extreme regret that after this long lapse of time the Government not to finalise decision - of the Dharmadarsees & others interested in the land are in favour of the Swamy it may be sanctioned The Dy Comr would do well to call a meeting

Sir

With reference to your Official Memorandum No. 1558/9-00 dated 2nd February 1903, regarding the purchase of land from the compensation amount awarded for the Basti temple at Mysore, I have the honor to state that the Archak of the temple proposed the purchase of the marginally noted land in the Nanjangud Taluk. The Muzrai Assistant Commissioner who has inspected the land personally is of opinion that they are not worth more than Rs 325/per acre.
